Microsoft

Now inside Windows Vista™ Ultimate

Advanced Backup and Restore

Powerful business backup features reduce the risk of accidental data loss and hardware failure.

Instant Search

Now you have the power to quickly find what you need on your computer and on the Internet.

A More Secure and Reliable Windows OS

Take advantage of updated features including Windows Defender, Parental Controls, and Self-Healing.

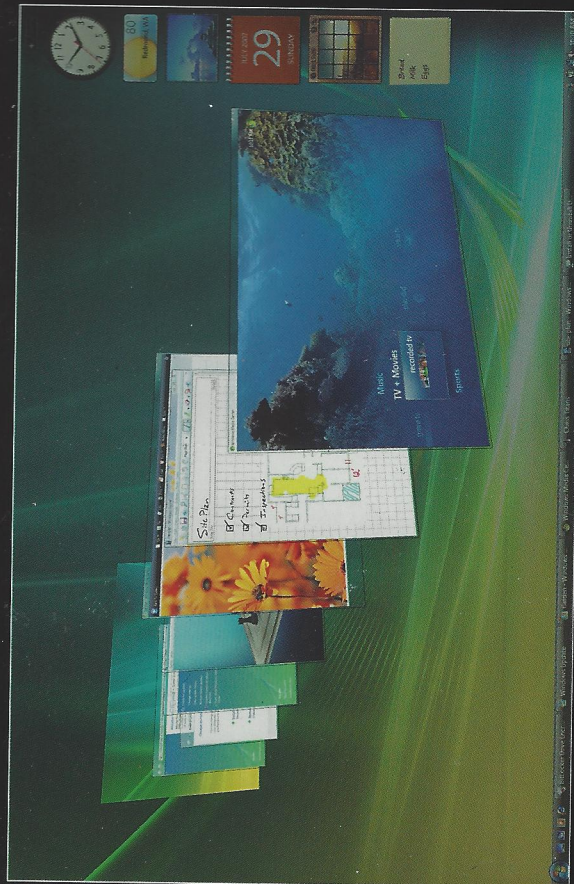

Advanced Data Protection

Helps ensure that the data on your mobile PC stays confidential even if it has been lost or stolen.

Photo Gallery

Simply the best way to organize, edit, and share favorite memories with family and friends.

A world above and beyond Windows XP.

Windows Media Center

Easily manage and enjoy your favorite digital photos, music, TV shows, and movies on your PC and TV.

Windows Mobility Center

Better support for mobile PCs helps you quickly access and set key mobile system settings in one location.

Windows Aero™

Desktop Experience
Windows Aero offers an elegant, more visually compelling desktop experience, giving you a greater ability to visualize and work with your information.

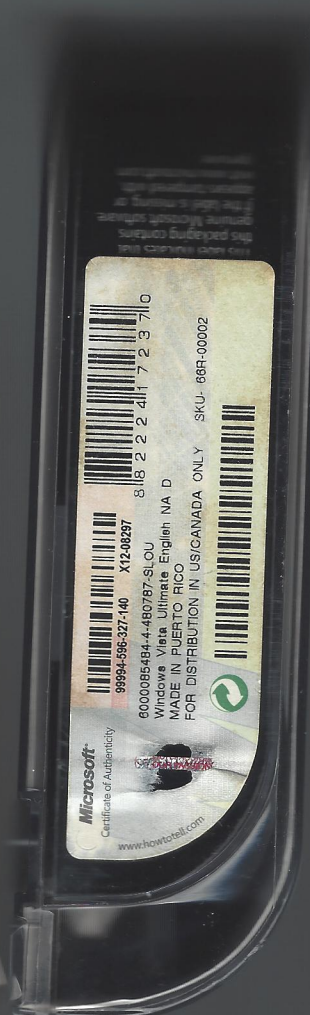

Supports Windows

ReadyDrive™ Technology
Experience improved performance, faster boot and resume, and preserve battery power on PCs equipped with a hybrid hard drive.
